EXECUTIVE OFFICER/APCO

The Bay Area Air Quality Management District (the "District") is a local agency that regulates stationary sources of air pollution such as factories, industrial sites, and gasoline stations.

Whenever we receive a permit application for a new or modified source(s) of toxic air contaminants located within 1,000 feet of a school site, State law requires that we notify the public. To comply with this requirement, we distribute or mail a Public Notice to the parents or guardians of students enrolled at schools located within ¼ mile, and all residents and businesses located within 1,000 feet, of the proposed source(s).

You are receiving this Public Notice because a permit application has been filed with the District for the above referenced source of air pollution. A description of the proposed project follows:

Gilroy Unified School District is applying for an Authority to Construct and/or Permit to Operate an Emergency Standby Generator-Diesel Engine at Gilroy High School. It will be used to generate power during emergency conditions only.

The District has determined that the increase in health risks resulting from toxic air contaminant emissions from the proposed source are within acceptable levels, and that the project will comply with all other applicable air pollution control requirements. Accordingly, the District plans to issue a Permit to Operate for the proposed project.

If you are interested in getting more information on the District's evaluation of this proposed project, you may request copies of the applicable staff report(s) by calling the District at the telephone number listed at the end of this notice. This information also can be viewed or downloaded from the District website at:

http://www.baaqmd.gov/pmt/public_notices/2004/index.asp

PUBLIC COMMENT PERIOD

There is a 30-day period for public response to this proposal. If you wish to comment on the proposed project, you may do so in writing or by e-mail. Alternatively, you may call and leave a telephone message up to one minute in length. Please leave your name and telephone number so that a District staff member may respond to your message.

Please use the following contact information if you would like to comment on the proposed project:

Mailing address: Gilroy High School (Gilroy Unified School District) Public Notice Response

BAAQMD
Engineering Division
939 Ellis Street
San Francisco, CA 94109
Attn: Roy Lo

E-mail address: rlo@baaqmd.gov

Telephone Number: (415) 749-4907

The public comment period for this project ends on September 11, 2004.
